

BLACKBURN LAKE SANCTUARY ADVISORY COMMITTEE

Invites you to join us for our annual

Spring Bird Survey

Saturday, 9th September

Please note CHANGE OF DATE, previously advertised as September 16th

7.30 for an 8am start

Ian has been a favourite leader for our surveys for many years now, recently joined by **Greg**, both spectacular photographers! **Geoff Deason's** records of the birds at Blackburn Lake since 1970 are invaluable, and on view in the V C! Thank you to them all!

Join us for morning tea afterwards while we tally up the species.

Bring binoculars if you have them, but they are not essential. Kids, don't forget to bring an adult!

Meet at the Visitor Centre, Central Rd Blackburn Melway 48B11

Will we beat last year's Spring tally of 36 species?

&

Sunday 10th Sept.

Nick Bradsworth BEnvSc(Hons), DipCLM Deakin Uni will present his research on the

Spatial Ecology of Powerful Owls

2 - 4pm at the Visitor Centre

Find out how this magnificent, but elusive bird survives in suburbia, and how we can help! What to do if you spot one! **Be part of this Birdlife Australia Citizen Science Project!**
